AFFAIRS IN ALEXANDRIA

MATTERS ABOUT OVER. Work Progressing Favorably on King

Street-Annual Commencement of Potomac Academy. Evening Star Bureau.

No. 701 King Street, Bell Telephone No. 106, ALEXANDRIA, Va., June 22, 1901. The work of repaying the block on King street between Royal and Fairfax streets with vitrified brick is being continued under the supervision of Mr. Edgar Padgett, who was appointed yesterday by former City Engineer J. G. Holcombe. The latter's resignation as city engineer has taken effect and last evening he left here for San Francisco to go to Manila for employment under the government as civil engineer. Recently there has been considerable friction over the progress of the King street improvements. It originated, it is said, after Mr. James Chauncey was engaged by the council street committee to inspect the work. Yesterday the city engineer directed Mr. Chauncey to attend to some duty and the latter declined, whereupon he was dismissed by the engineer. This morn-

ing the work was proceeding rapidly and auspiciously, and it is believed there will be no further trouble.

The contractors, Messrs. Cuvillier & Spinks, call attention to a section of their contract which makes them responsible to the civil engineer of the city in the mat-ter of using good material and doing the paving in approved style. Just now the city is without an engineer. The term of Mr. E. C. Dunn, who was recently elected, will not commence until July 31. Further difficulty with the street work, it is said, would occasion the appointment of a special city engineer by Mayor Simpson to serve until Mr. Dunn's term begins.

The annual commencement exercises of Potomac Academy, conducted by Prof. John S. Blackburn, at No. 212 North Washington street, were held yesterday. The follwing pupils received certificates, in the first division, in the studies indicated: J. Burke, jr., English branches, French, geometry, trigonometry and chemistry; D. T. Chaimers, in English branches, writing and Latin; E. M. Demaine, in Engwriting and Latin; E. M. Demaine, in Eng-lish branches, physics, chemistry, trigonom-etry, surveying and geometry; C. Johnson, in Latin and chemistry; H. B. Massey, in English branches, Latin, arithmetic and

chemistry; F. D. Richardson, in English branches, Latin, algebra, geometry and writing; S. F. Sherwood, in English branches, chemistry and bookkeeping; E. M. Stribling, in English branches French. bookkeeping and typewriting; A. W. Arm-strong, in chemistry; K. Minnigerode, in Certificates for deportment were awarded to the following: J. P. Agnew, J. W. Burke, jr., D. T. Chalmers, E. M. Demaine, C. Johnson, H. B. Massey, W. B. Pearson, G. E. Pickett, F. W. Richardson, M. B. Richardson, S. F. Sherwood, E. M. Stribling and B. Downey.

A certificate for attendance was awarded to E. M. Stribling. J. W. Burke, jr., received a special certificate, having received first division certificates in all his studies. pieces. Write for illustrated booklet. my2-th,s&tu-39t HARRINGTON MILLS, Manager.

Body Recovered. The body of little Page McBurney, who was drowned in the Potomac yesterday afternoon, as reported in The Star, was recovered shortly after 3 o'clock by Messrs. George Sutton and Harvey Robinson, who succeeded in locating it by means of a boat hook. Every effort was made to resussitate the boy, two physicians working over him for some time, but it soon became appim for some time, but it soon became apparent that life was extinct. The remains were then removed to the undertaking rooms of W. Demaine & Son on King street. The boy was fishing at the time of the accident. He was a son of Mrs. Florence McBurney and the late Alexander McBurney. A circumstance which added sadness to the accident was the fact that the lad had just commenced his summer.

ington public school. The funeral will take place Monday morning. A court-martial will be held soon in the Alexandria Light Infantry, it is stated, to pass upon the case of Private Joseph Ewald on the charge of insubordination. It

the lad had just commenced his summer vacation and yesterday morning had re-

ceived a certificate of distinction in Wash-

is understood that at a recent drill of the

company a misunderstanding occurred be-

tween Capt. James E. King, the command-

ing officer, and Ewald in regard to a medal which the latter had won for marksman-ship. It appears that the question of con-

dition under which the prize was to be re-tained permanently was discussed, and it

is said the private will have to answer for the use of unbecoming language to his su perior officer. The Seventeenth Virginia Chapter, United Daughters of the Confederacy, has elected the following officers to the state convention which meets in this city next October: Miss Margaret V. Smith, Mrs. W. A. Smoot, Miss Alice Colquboun; alternates, Mrs. Albert Murdaugh, Mrs. J. Middleton White and Mrs. S. B. Davis. The following were elected to the general convention of the society which meets in Wilmington, N. C., in November: Mrs. W. A. Smoot, Miss Henderson, Miss Lunt, Mrs. Hill and Miss Kate

Mason Roland; alternates, Miss Ella Smoot, Mr. Albright and Mrs. Drewry. The sermon at the morning service to-

South will be delivered by Rev. J. W. Duffey of Washington, presiding elder of Washington district. The first quarterly conference of the church will be held tomorrow and will be presided over by Rev. Mr. Duffey.
The funeral of Ferguson Beach Johnson son of Mr. John M. Johnson, took place yesterday afternoon at 5:30 o'clock from the residence of his parents, on Prince street. Rev. P. P. Phillips of St. Paul's Church conducted the services and the in-terment was made in Ivy Hill cemetery.

The final meeting of the present city council will be held Tuesday night next. The finance committee has held its last meeting and examined and checked up the auditor's report of the general fund for the fiscal year ending June 1.
